Dear Mr. Bowman:

Please refer to your letter dated April 19, 1993 to Mr. David Griffin concerning the replacement of the County Highway 19 bridge over our Chicago Sub, near Grant Park, IL.

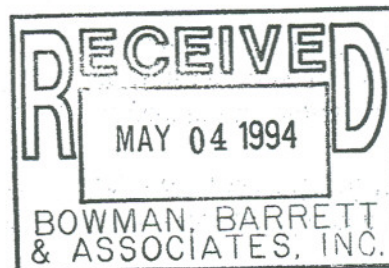

Union Pacific would be willing to participate in the proposed project to rehabilitate this structure in the amount of \$50,000 plus the cost of our poleline relocation and any flagging charges, provided the County is willing to assume future ownership and maintenance of the new bridge.

If you have any questions or require any additional information, you may contact me at (402) 271-5891.

Sincerely,

Cliff Shoemaker
